I would recommend you reach out to Michelle Hueston-Green, she is the new Valencia County Finance Director. I have added her to this email.

Michelle, If I can be of any assistance with this please let me know. Just don't want to give out any incorrect information. A background with the company that is asking for this information. Bradbury Stamm Construction is the contractor that was awarded and is building the hospital.

Thank you.

Good morning,

What are you exactly looking for? Valencia County does not issue payments via ACH at the moment. This is something that we are looking to get implemented in the near future. Not sure if this is what you are looking for but I will help as much as I can if you let me know what you need from us.

We have recently modified and upgraded our banking relationship and card payment services. As part of this upgrade. We appreciate your cooperation in making this change to your records. We would prefer Wire Payment in lieu of paper checks, pending the time we get it resolved. Please advise so I can send you our new bank details for the Wire payment.

Waiting for your response.

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More

information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good Morning,

I reviewed the ACH form and letter from your banking institution. As a means of protecting our customers, I kindly ask that you provide the Substitute W9 with an original signature and provide a letter less than 30 days old, or a voided check from the bank account. We hope you understand that Bradbury Stamm's security is very important to us. If you have any questions, please feel free to reach out. Thank you and have a great day!

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Hi Rustin,

Bradburry Stamm has provided a new W-9 with banking information for EFT. Are we able to enter this information in the vendor file so we can have it when we move forward with ACH payments?

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good Morning,

I reviewed the ACH form and letter from your banking institution. As a means of protecting our customers, I kindly ask that you provide the Substitute W9 with an original signature and provide a letter less than 30 days old, or a voided check from the bank account. We hope you understand that Bradbury Stamm's security is very important to us. If you have any questions, please feel free to reach out. Thank you and have a great day!

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

We have recently modified and upgraded our banking relationship and card payment services. As part of this upgrade. We appreciate your cooperation in making this change to your records. We would prefer Wire Payment in lieu of paper checks, pending the time we get it resolved. Please advise so I can send you our new bank details for the Wire payment.

Waiting for your response.
